A. ACTIVITIES ALL YEAR ROUND

1. The Swiss Alps Games

Unbelievable, the **Swiss Alps Games** are there ready for you! A range of funny snow and other games make this fun competition an unforgettable experience for your group. Compete in teams and choose from different activities.

Try for example the chocolate tasting or the giant skis challenge! Lots of laugh and fun for the whole group guaranteed!

A must-do, our biggest success in the previous years, a fantastic « booster » for all teams!

Group cohesion, organization, communication and teamwork will guarantee the success or failure of each activity. A real exercise in group dynamics, which will provide some interesting lessons about how teams work. At any time, we will make sure to have a positive and funny atmosphere.

This activity is suitable for outdoors and indoors.

Rate: from CHF 104.- p. p., including preparation of the site, gear rental, logistics, opening ceremony, staff, organization of the competition, results and prizes.

Bad weather solution: the rental of a hall guarantees a very similar program to the one outdoors. Rates on request.

Destination : all destinations.

2. Team Spirit Rally

A special rally, during which the teams will have to compete against each other to gain the title of « Best Team Spirit » ! What a great adventure!

It's also an activity which allows the teams to discover the charms of the visited town. The ideal way to discover a new city or village by a fun and teambuilding activity !

Rate : from CHF 98.- p.p., including a road book per team, maps, questions, all the material for the rally, staff, organization, logistics, results and prizes.

Destination : all destinations.

3. Picture rally « Let's be Creative »

A **picture rally** is a unique team experience for the members of each team but also for the whole group, company or department as the created pictures will be shown and presented to everyone in a plenary session.

Participants have to take different pictures depending on the theme and the explanation (people, landscape, animals, specific topics, etc..). Example: take the most creative team picture or costume three people per team with the provided items, reproduce given pictures, etc.. Laughter guaranteed!

Rate: from CHF 118.- p.p. including logistics, digital cameras, staff, organization, prizes to the best teams and results.

Destination: all destinations.

4. Treasure hunt « One for All, All for One »

An extraordinary treasure hunt in which participants will have to develop a real strategy to win. Team spirit and promptness in decision making are essential to progress in the "hunt". During the course, teams have to answer questions but will also have some fun challenges to accomplish!

All teams receive a "road book" and further instructions which allows them to find the clues and move on from post to post. Who finds the treasure first?

Rate: from CHF 104.- p.p., including the road book, maps, questions, material for the tasks, staff, logistics, organisation, prizes for all teams (the treasure).

Destination: all destinations.

5. Domino Games

A fantastic exercise for the cohesion of a group. The success in setting up dominos depends finally on planning, cooperation, communication, and patience. Every team member's contribution is needed.

Do you know that the World Record is of ... 4'491'863 dominos !!! Record to beat if you have the patience and time!

The group is divided into several teams. First step is the project design (study, decisions, drawing on paper), then planning the construction and finally at work ! True "teambuilding" that will remain etched in the memory of each participant!

Rate : from CHF 79.- p.p. including logistics, rental of the material, staff, preparation of the area, competition, results and prize giving to the best teams.

Destination: all destinations.

6. Recycling Art

An activity which is in relation with current subjects such as sustainable development and ecology. Do handicrafts in a team with raw material which is composed of recycled items. At the end, every team has 5 minutes time to present their art work and to convince the jury!

Which team will be awarded for the most creative Recycling Art of your company?

A nice and interesting challenge which demands creativity but also a good cohesion in the team in order to craft a unique piece of recycled work!

Rate: from CHF 90.- p.p. including logistics, preparation, material, explanations, supervision, competition.

Destination: all destinations.

7. Around the World in 80 minutes!

In different countries (posts) of the world, the teams have to answer questions about art, culture, geography and history. In addition to the questions, the **teams have to accomplish a specific team task** in relation with the visited country: e.g. an origami for Japan, a mandala for Nepal, cow milking for Switzerland or a Lego construction for Denmark, etc. At the end of the Tour around the world, **every team presents a part of its realized oeuvres to a jury and to all other participants.**

This activity comprises very **funny elements**, **reveals numerous hidden talents of participants** and sets up a finale atmosphere which is extraordinary! Thanks to the final presentation, the teams are very motivated to highly achieve their tasks. As there are also tasks such as dancing and singing, the final presentation is really a happening which you wouldn't want to miss!!

This activity is normally held inside, however it can also be held outdoors.

Rate: from CHF 96.- p.p. including logistics, preparation, material, explanations, supervision, competition and results.

Destination: all destinations.

8. Farmer Games

Which team will be awarded Best Farmer Team? However, before the award ceremony, teams will have to compete in disciplines such as:

- horseshoe pitching
- cow milking
- farmer's quiz
- gum boot pitch
- tractor tyre race
- Two handed sawing
- etc.

Rate: from CHF 114.- p. p., including preparation of the site, gear rental, logistics, opening ceremony, staff, organization of the competition, results and prizes.

General Conditions Governing the Provision of Services

(Edition 2015-2016/ 2 pages)

1. The contracting parties

Within the framework of these general conditions, the company that subscribes to the contract for the provision of services is referred to as « the recipient », this term does not apply to the individual persons designated as being « the participants ». *Events4Teams*, referred to hereinafter as « the service provider », is the legal entity responsible for the organization and the implementation of the means necessary for the provision of the services.

2. Field of Application

These general conditions govern the legal relationship between the service provider and the recipient for all the services being a subject of this contract.

3. Price

- 3.1.** The agreed price is the subject of a contract detailing the services and is fixed on the day of the signature by the parties contracting to the previously mentioned contract.
- 3.2.** The service provider has the right to alter the agreed price to reflect any changes in the law, regulations or customs, between the day of the conclusion of the contract and the provision of the service.
- 3.3.** These modifications are tacitly accepted by the recipient subject to a limit of 5% of the agreed price. If these price modifications, communicated to the recipient at least 30 days before the execution of the services, exceed 10% of the agreed price, the recipient has the right to terminate the contract within 7 clear days after receipt of the communication.

4. Deposit payments

Deposit payments are to be paid according to the following scale:

- at the signature of the contract : 50 % of the total cost of the services
- 30 days before the provision of the services: 100 % of the total cost of the services

The non-observance of these conditions will involve the application of the regulations of paragraph 5.1 governing the expenses of cancellation.

If the contract is signed within 30 days of the provision of the services, the totality of the deposits must be paid on the day of signature.

The balance is to be paid within 10 days from receipt of the final invoice.

5. Cancellations and Modifications

5.1. File charge

A total cancellation of the services after the signature of the contract will require the payment of a file charge of CHF 1000.-.

5.2. Cancellation charge

An exact list of the names and the number of participants must be sent to the service provider 30 days before the service. Cancellation charges are invoiced to the recipient after acceptance of this contract excluding application of the provisions of paragraph 3 subparagraph 3.

The scale applicable is :

from the signature to 91 days :	CHF 1000.-
90 - 31 days :	50 % of the price
30 - 10 days :	80 % of the price
09 . the day of departure	100 % of the price

Claims from third parties may differ from ours. We will charge separately for them.

6. Modification of the contracted services

6.1. The provision of services may have to be modified for reasons independent of the will of the service provider (strike, riot, war, weather conditions, etc). The service provider is the only judge of the necessity to modify his services for reasons related to the safety of the participants. In any event, the service provider will try to provide to the recipient, compensation or equivalent services.

6.2. In case of act of God

If due to act of God, measures taken by the authorities or strike action, the performance of the services cannot be achieved within the times agreed, the amounts already paid less the amounts related to the services already carried out will be refunded to the recipient.

7. Activities

7.1. The service provider declines all responsibility in case of accidents, of physical or material damage during the execution of the different activities organised.

8. Photographs, pictures and films

8.1. The service provider has the exclusive rights of all photographs and pictures taken during the provision of services. The recipient agrees that the service provider may publish those pictures.

9. Complaints

9.1. If the services provided do not correspond to those agreed contractually or if one of the participants suffers injury, the recipient must immediately deposit a written complaint with the service provider, at the latest 10 days after the execution of the contract. In the event of non-observance of this time limit, any claim for damages is inadmissible.

9.2. If the intervention of the recipient does not lead to a suitable solution on behalf of the service provider, the latter can refund the expenses paid by the recipient to remedy the defect of execution and/or the injury in so far that the measures taken fall reasonably within the limits of the defined services.

10. Passports, visas and vaccinations

The recipient is responsible for the possession and the conformity of the necessary documents. The service provider is released from any responsibility if a participant cannot benefit from the service because of non-conformity, non-validity or the non-existence of essential documents. The recipient will not be able to require any refund in this case.

11. Responsibility

11.1. The service provider accepts responsibility for damages suffered by the recipient in so far that a fault is ascribable to him.
The direct material loss covered is limited to a maximum of twice the agreed price. International conventions and national laws remain reserved.

11.2. Exemption of responsibility

The service provider is exonerated from all responsibility in all cases where a fault, an omission or negligence ascribable to the recipient was likely to seriously disturb or to prevent the good execution of the services. The service provider cannot be held responsible for the damages caused to the recipient by a third party connected to the supply of the services defined by the contract.

11.3. Insurance

The subscription to a travel insurance (repatriation, luggage, accidents, etc) does not enter into the framework of the services of the service provider who however recommends the taking of it on a purely individual basis to all participants.

12. Applicable law and court of justice

Swiss law is applicable to the legal relationships between the recipient and the service provider.
The court of justice is conventionally located at Randogne, Valais.
